## ERAU Wireless Printing Instructions

1. Open Internet Explorer. **The printer Website is only functional with Internet Explorer.**
2. In the Internet Explorer address bar type http://dbwprinters.erau.edu/printers

3. You will be prompted for a username and password. Enter your ERAU username and password in the fields.

4. Internet Explorer will be directed to the All Printers on dbwprinters.erau.edu web page.

5. Find the printer in the list you wish to print to and click that printers link.

6. A new Internet Explorer window will appear showing the name of the printer and the printer queue. On the left, under **Printer Actions**, click on **Connect**.

Printer Installation

Checking network connection ...

If the printer was installed successfully you will see the following message in your browser window.

The installation of the printer is now complete. If you want to print to the installed printer you can select the printer in the application you want to print from.
